

CHNCT is proud to announce that our very own President & CEO, Sylvia B. Kelly, was recently recognized with a scholarship named in her honor – the **Sylvia Kelly Scholarship for Health Equity!**

CHNCT is a member of the Association of Community Affiliated Plans (ACAP), a national trade association that represents not-for-profit Safety Net Health Plans. CHNCT is also one of ACAP's founding health plans. ACAP's mission is to provide high-quality healthcare to people with low incomes and complex healthcare needs.

ACAP's **Sylvia Kelly Scholarship for Health Equity** is a \$25,000 scholarship that will be awarded to a fourth-year medical student who demonstrates an interest in improving Black maternal health. The purpose of the scholarship is to build capacity to help close the maternal mortality gap and increase awareness about the issue.

We are excited to celebrate this well-deserved accomplishment!
